Jeff opened with comments - He would like to know the Board's feelings

Jim Doring - The Board may be reluctant to move forward.

Tom Fox - How can we pay for it?

Jim Doring - Has felt from the onset that we could explore, yet stop at any time proceeding.

Dave Morse - We are uncertain of the future of NYS Funding and State Budget.

Peter Knapp - We would like to proceed but we need funding - either from saving surplus; sale of current property or County funding from shared services.

2 residents' concerns: Cost will go up faster than you can save for it.

1 resident - Building costs overrun is 20-30%

**The consensus of the Board is to wait and continue to explore more funding and try to reach a 50% cash down level.**
