Post Office Boxes – Attorney Armstrong has been in touch with Maureen Hohl but there still has been no decision made. There are still more questions for her but no returned call. Ms. Hohl will follow up on the Little York facility; **it is not a safe situation.** Attorney Armstrong thinks that she is doing what she can. Supervisor Doring made the statement : “We’ll have to wait for Maureen to get back to us.”

Highway Garage – Jeff will get a work schedule and proposal from Paul Sheneman for the Board.

C-OFOKLA Grant – Don Fisher spoke about the grant which is a 3-year \$100,000 grant for boat landings at Little York. He believes this will reduce the weeds in the lake. He also believes it is good for Preble and Cortland County.

NEW BUSINESS

Monies received: \$538.17 – USPS

PUBLIC COMMENTS:

Renee Compton - The pavilion roof at the park needs to be repaired.

Nancy Baldwin – Asking why the doors to the pavilion are always locked down. Check with Hank.
Edna Whiteman – Why can't the boxes be put back in the Town Hall? The USPS does not want them back in the Town Hall.
Supervisor Doring has talked with Bill Bearup regarding the house across the street and an answer to Charlie Dalley's question; most towns do not bother the church's property.
